REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: It is noted, initially, that Applicant's submission of the priority document translation (7/1/05) perfects the priority date of 5/14/03 for this application. Furthermore, Applicant's amendments to the claims (7/1/05) overcomes the prior art of record. The prior art fails to teach a padlock comprising a locking means for the heel of the shackle and a key operating means/latching tube/stop member for locking the toe of a shackle as set forth in claim 1. Accordingly, claims 1-13 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Suzanne Dino Barrett whose telephone number is 571-272-7053. The examiner can normally be reached on M-Th 8:30-7:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Brian Glessner can be reached on 571-272-6843. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
